

Dear parents,

We need you! We (de Ouders van de Toverberg) would like to get to know other parents a bit better and together help the school in various ways.

### What we would like to do

- Meet other parents and get to know each other at the Koffiemoment, at the Toverbar (see at the bottom of this email), ...

- Collect money to pay for school activities (such as field trips), to execute some of the children's impressive ideas, ...

- Help the school and teachers: to make het Leespaleis ready for use, to freshen up the playground, to do chores, to help with field trips, ...

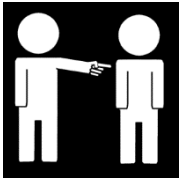

- Make the traffic in the school environment safer

- Get the neighbourhood more involved in the school's activities

- ...

## What can you do?

Would you like to get the heads up on what we are doing or would like to do with the parents? Follow our page on Facebook and/or join our Whatsapp community.

---

**Facebook**

**Whatsapp**

Would you like to participate in the parents' activities? We could use all help! Do you like to cook? Do you have a great idea for a sale? Do you like bringing people together?

- Check our announcements on the Facebook page, in the Whatsapp community and on the posters at school.
- Let us know what you're good at, what you like to do, ... or ask us what you could help us with. You can do this online, with Nezhlya, or with the parents below

**Mike**

Ezra and Penny's dad

**Kim**

Ezra and Penny's mum

## What is the Toverbar?

The Toverbar is an initiative of the Ouders van de Toverberg. Have a pleasant chat with other parents, teachers or other school personnel over a drink and a bite. We offer you a free cup of coffee or tea, and sell fruit juice and other drinks at low prices.

The next Toverbar takes place on **Friday 27/10** (after the Toonmoment), starting from 3pm on the playground. The children of groups Roa and Cosmo will make and sell soup at the Toverbar!

Any profit from the Toverbar will be used for different initiatives at school.
